Hosting Appeal

Dear Visitor. The Tap has become increasingly busy and we can't stay online without your help. We need a hosting account upgrade to help cope with the increased activity and keep this free blog online. In this age of great change The Tap is a valuable independent resource where we can come together and share information the controlling parasites would rather we didn't have. Please help if you can and donate a small amount towards the hosting costs. Your donation will make a huge difference. Thank you in advance. **Click here to donate**

The Jesuit Vatican Shadow Empire 369 – CHINA

WHAT IS THE TRUTH ABOUT CHINA?

In this video I want to take another look at China and all the claims being made about this country in the MEDIA. Are they true or false? There is a very sharp dichotomy between the experts about what China ACTUALLY IS and what it is being PORTRAYED AS! I've talked about China many times in this video series. If you haven't seen those videos then I urge you to go back and listen to them. They will provide an understanding of WHY China is what it is today. When you include Jesuit involvement in Chinese education, culture and politics through the secret societies for more than 400 years then you can begin to understand what is going on there. Please watch Video No.22 titled, "The Jesuit Strategies" Parts A, B, C and D, Video No.31 titled, "The Jesuits: The True Authors Of Communism," Video No.42 titled, "Jesuit Infiltration and Subversion Of All The Nations" Parts A and B, Video No.50 titled, "The Jesuits in China: Mao Zedong, Yale In China and Skull And Bones" and Video No.79 titled, "Romes' Bad Boy China Media Diversion,"
